Billings Downtown
Starts here.

The Downtown hanging flower baskets and our beautiful canopy of green trees are a great addition to Downtown Billings.

They enhance our events and make our streets more pedestrian friendly. Everyone realizes that “curb appeal” adds to the value of a property. Flowers and healthy trees add “curb appeal” to the heart of our community. The flowers and tree maintenance are all part of the tasks of our Downtown Business Improvement District. In 2009, most of the funding for this project will come from

PRIVATE CONTRIBUTIONS.

*Please help us beautify our Downtown with flowers and healthy trees and promote your business at the same time by joining the ranks of : **Distinguished Downtown Supporters.***

On the Second Saturday in June, the **Strawberry Festival** takes to the streets. The arts and crafts booths, kids activities, pancake breakfast and the Albertsons Food Court will return for another installment of this Downtown Tradition.

Come Downtown and browse the booths for great deals and great fun. Large crowds enjoy the hanging flower baskets brought to you by Downtown Billings and the “**Distinguished Downtown Supporters.**”
